

Placa base del futur servidor web

El futur servidor web s'allotjarà en un ordinador Beep Tay P4/1600, equipat amb un processador Intel Pentium-4 CPU 1.60 GHz, i es dotarà amb 2 gigabytes de memòria.

Biostar M7TDF Intel 845 Socket 478 P4 ATX MB w/Snd

Get performance and reliability from this Biostar M7TDF ATX motherboard. It features an Intel 82845/82801BA chipset, supports up to 400 MHz Front Side Bus, and supports up to 2 GB DDR RAM. This Socket 478 motherboard offers built-in AC'97 audio, an AGP slot, six PCI slots, and a CNR slot. This Biostar M7TDF supports Intel Pentium 4 2.4 GHz processors and Intel Celeron 1.8 GHz processors running at 400 MHz FSB.

Features/Specifications:

- Biostar M7TDF Intel 82845 Socket 478 Motherboard
- General Features:
 - Intel 82845/82801BA chipset
 - Socket 478
 - ATX form factor
 - 400 MHz Front Side Bus (FSB)
 - Supports up to 2 GB DDR RAM (200/266)
 - Two (2) UDMA/33/66/100 IDE controllers
 - One (1) floppy disk controller
 - AC'97 integrated audio
- Expansion Slots:
 - One (1) AGP slot
 - Six (6) PCI slots
 - One (1) CNR slot
 - Four (4) 184-pin DIMM slots (two sockets supports only single sided DIMMs)
- I/O Ports:
 - Two (2) PS/2 ports
 - Two (2) 9-pin standard serial ports
 - One (1) 25-pin standard parallel port
 - One (1) 15-pin standard game/midi port
 - Four (4) USB ports (two on back and two via header)
 - Line-in, microphone and line-out jacks
- BIOS Features:
 - Award Legal BIOS
 - Supports APM 1.2
 - Supports ACPI
- Hardware Monitor Function:
 - CPU fan monitoring

- System fan speed monitoring
- System Voltage monitoring
- Supported Processors:
 - Intel Pentium 4 up to 2.4GHz CPUs with 400 MHz FSB
 - Intel Celeron up to 1.8GHz CPUs with 400 MHz FSB
- Retail Package Includes:
 - Biostar M7TDF Intel 82845 Socket 478 Motherboard
 - Quick Start
 - Driver, Utility, and Manual CD
 - Application Pack CD
 - One (1) 40-pin, 80-wire IDE cable
 - One (1) floppy disk cable
- Notes:
 - This board is version 1.2, the processor support list is for Version 1.1

Additional Information:

- Product Requirements
 - ATX case
 - ATX power supply
 - Supported processor
 - Supported RAM
 - Rest of system
